Igor Cisowski
Front End Developer

in LinkedIn | 📞 +44 7405-772-449 | 📱 +48 793-678-378 | ✉ igorcisowski2098@gmail.com | 🐙 GitHub

Skills

JavaScript • TypeScript • React • HTML5 • CSS • Git • GitHub • UI/UX

Experience

Front End Developer   **ExecuteIT**   *Remote Work*   **05/2022 - 05/2023**

- Translated UI/UX design wireframes to actual code by developing websites, applications, and landing pages with a responsive mobile-first approach which sped up project development.
- Optimizing and maintaining websites by improving their loading speed, writing reusable code, debugging, and testing for usability on various devices.
- Modernized clients' archaic websites to a more contemporary design by utilizing the latest technologies of **React, TypeScript, Tailwind, and Styled Components.**
- Enriched websites and applications by developing UI components such as accordions, i18n internationalization, custom form validations, and more that led to a great user experience improvement.
- Contributed to creating interactive applications and websites with other developers and designers.

Education

Bachelor of Science   **University of Southampton**   *London, UK*   **08/2021 - Present**

- Computer Science

Languages

- **English -** Upper-Intermediate
- **Polish -** Native
- **Italian -** Intermediate

Courses

Samurai Programming   **Udemy**   **01/2022 - 05/2022**

- **React from scratch -** Became familiar with the react app environment and became proficient in using the react library and its features.
- **Introduction to Git and Github -** Learned how to use Git version control system and the Github platform to create, post, and clone repositories.
- **Programming in JavaScript -** Gained intermediate knowledge of JavaScript and a strong foundation to start learning React.
- **Web development from scratch -** Got started with creating responsive websites that are compliant with current standards. And gained proficiency in using Flexbox and Grid.
